Important Disclosures & Disclaimers

The Portal is intended exclusively for the use of the persons to whom we have granted access and the information provided therein is confidential and may not be reproduced in its entirety or in part, or redistributed to any party in any form, without the prior written consent of Evoke Wealth, LLC d/b/a Evoke Advisors (“EVOKE”). Information contained in this Portal is current only as of the date specified, regardless of the time of delivery or of any investment, and EVOKE does not undertake any duty to update the information set forth in the Portal. The information contained in the Portal does not constitute an offer to sell or the solicitation of an offer to purchase or sell any securities, including any securities or alternative investments recommended by EVOKE. Regarding alternative investments, any such offer or solicitation may be made only by means of the delivery of a confidential private offering memorandum which will contain material information not included herein regarding, among other things, information with respect to risks and potential conflicts of interest. No representation is made that any client will or is likely to achieve its objectives, that EVOKE’s strategies, investment process or risk management will be successful, or that any client will or is likely to achieve results comparable to any shown or will make any profit or will not suffer losses or loss of principal. Investing involves risks. You should not construe the contents of the Portal as legal, tax, investment or other advice.

The returns presented on the Portal are for information purposes only and are not an indicator of the returns you may expect in the future. The returns presented include the returns of various benchmarks that have been selected because they are well known, broad-based market indices. The returns of the benchmarks do not reflect the deduction of any advisory fees, expenses, transaction costs or taxes. Investments may not be made directly into an index.

PAST RESULTS ARE NOT NECESSARILY INDICATIVE OF FUTURE RESULTS. No representation is made that results similar to those shown can be achieved. Investments in alternative funds that EVOKE recommends, and accounts that EVOKE manages, may lose value. Investment results will fluctuate. Certain market and economic events having a positive impact on performance may not repeat themselves. Calculation of gross returns and net returns are for the stated time period only. Net performance results are net of management fees, commissions, and other direct expenses, but before custody charges, withholding taxes, and other indirect expenses, and may include the reinvestment of dividends dependent on instructions provided by the client. Gross performance results are net of commissions and other direct expenses, but before management fees, custody charges, withholding taxes and other indirect expenses. Actual fees will vary depending on the applicable fee schedule and account size, among other factors. Performance results may be based on unaudited, preliminary information and subject to change. There are no assurances that

unrealized investments will be realized at the valuations used to calculate the information contained in the Portal, as actual realized returns will depend on, among other factors, future operating results, the value of the assets and market conditions at the time of disposition, any related transaction costs, and the timing and manner of sale, all of which may differ from the assumptions on which the valuations used to calculate the information contained in the Portal are based. The performance presented in the Portal may reflect the performance of an account managed by the EVOKE team when at a prior firm and, consistent with applicable law and SEC staff guidance, is presented only for the time period during which the EVOKE team was responsible for achieving such performance at the prior firm.

Certain information included on the Portal is based upon information reasonably available to EVOKE as of the date noted therein. Furthermore, the information included on the Portal has been obtained from sources EVOKE believes to be reliable; however, these sources cannot be guaranteed as to their accuracy or completeness. No representation, warranty or undertaking, express or implied, is given as to the accuracy or completeness of the information contained in the Portal and no liability is accepted for the accuracy or completeness of any such information. EVOKE maintains historical materials and disclosures on the Portal for archival and regulatory purposes. The information contained in such materials and disclosures is believed to be reliable at the time it is initially presented, and EVOKE assumes no responsibility for updating information to reflect subsequent developments.

The Portal may contain certain “forward-looking statements,” which concern events or developments that EVOKE expects or believes will or may occur in the future. Forward-looking statements may be identified by the use of such words as “believe,” “expect,” “anticipate,” “should,” “planned,” “estimated,” “potential,” “outlook,” “forecast,” “plan” and other similar terms. All such forward-looking statements are conditional and are subject to various factors, including, without limitation, general and local economic conditions, changing levels of competition within certain industries and markets, changes in interest rates and availability of leverage, changes in legislation or regulation, and other economic, competitive, governmental, regulatory and technological factors, any or all of which could cause actual results to differ materially from projected results. Forward-looking statements are not guarantees that future performance will correspond with projected results.
